

# Comprehensive Breast Health Services

www.LIRAD.com

Long Island Radiology Associates offers a full range of progressive, state-of-the-art breast imaging services.

## **LIRAD's Breast Imaging Services Include:**

- Digital Mammography
- Breast Sonography
- Magnetic Resonance Mammography (MRI of the Breast)
- Breast Biopsies (Stereotactic, Sonographic and MRI Guided)
- BRCA Genetic Testing

Our goal is to provide compassionate service, accurate diagnosis and the highest quality reports. LIRAD achieves this by pairing our board-certified radiologists and highly trained technologists with the latest technology available. We also provide a private setting just for women to ensure a comfortable experience for our patients.

Breast cancer affects one out of every eight American women. But through proactive treatment and modern technology, LIRAD aims to ensure optimal breast health throughout the greater New York and Long Island area.

For more information on LIRAD's comprehensive breast imaging services, visit us online at [www.LIRAD.com](http://www.LIRAD.com).

\* According to the American Cancer Society's most recent estimates for breast cancer in the U.S., last revised March 2012.
